Liberate yourself from Chronic Constipation!

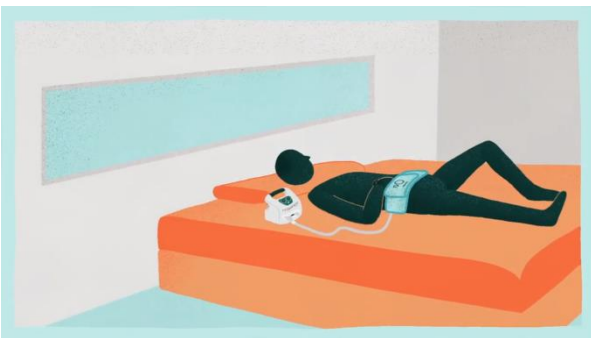

# MOWOOT – an effective and natural Alternative to Laxatives and Constipation Drugs

The MOWOOT II system consists of a belt that is adjusted to the individual abdominal circumference (available in four sizes) and a desktop device.

**Many patients already got their bowel moving thanks to MOWOOT!**

"Now I can go to the toilet easily" or "It's almost like having a physiotherapist at home" is what patients that use MOWOOT are saying.

MOWOOT is a medical device that stimulates the large intestine (colon) externally. The MOWOOT treatment is based on the proven colon massage, a proven treatment applied by physiotherapists to solve constipation.

## **With MOWOOT ...**

- ✓ ... you can "go" more often and spend less time in the bathroom.
- ✓ ... reduce the discomfort caused by the bowel movement.
- ✓ ... reduce your bloating, because MOWOOT helps eliminate gases.
- ✓ ... you no longer have the feeling of incomplete emptying.
